IUP BIBLIOGRAPHICAL SERVICE

You will note that this IUP reprint contains on each page an overprinted heading at the top of the outside margin. As part of IUP's Bibliographical Service, purchasers of the General Index volumes will from time to time receive, gratis, Index slips which are keyed to this heading and which refer to the titles in the IUP Parliamentary Papers Series. These slips may be pasted in on the margins, or may be copied in by hand, or if the librarian so desires, may be inserted into a specially designed plastic loose-leaf cover which accompanies each index volume and thus gradually build up into a separate General Index of the IUP Series.

The contents of this volume have been printed in their entirety by Robert Hogg, Printer to the Irish University Press, Shannon, Ireland.

As a result of the arrangement of the documents in subject sets and of the bringing together in a single book of a number of papers, some volumes in the Irish University Press Series may include the imprints of more than one printer.
